**Building relationships
between young leaders**

Meeting twice per year

THE VISION

Building relationships

As we come together, we aim to encourage the building up of relationships & friendships between young leaders from different contexts.

We believe that God will use these relationships to enable young leaders to support and encourage each other in their calling and in their lives, now and in times to come.

Teaching

Roundabout teaches spiritual principles, equipping leaders with courage and faith, encouraging and inspiring them in their walk with God and in their ministries.

Roundabout is not about leadership training tools or "how to" methods.
A lot of time in our meetings is reserved for interaction.

Roundabout is about relationships;
with God and with each other.
